OBJECTIVE

Motivated B.Tech Artificial Intelligence and Data Science student with strong skills in SQL, Python, Power BI, Excel, and data analysis. Seeking an entry-level opportunity to apply my technical and analytical skills to solve business problems, deliver data-driven insights, and contribute effectively to client-focused projects while continuously developing my professional and technical expertise.

SKILLS

- Programming: Python, SQL, HTML, CSS
- Analytical Skills: Problem solving, translating data insights into actionable strategies
- Tools: Power BI, Tableau, Excel, AI tools, Data Analysis (EDA)
- Database: SQL, Database Management System (DBMS) Fundamentals
- Soft skills: Analytical Thinking, Problem-Solving, Communication, Teamwork, Time Management, Adaptability

WORK EXPERIENCE

Data Analytics Internship **2025**
Osiz Technologies Pvt. Ltd. | Madurai

- Gained hands-on experience in SQL, Power BI, and Tableau by analyzing datasets, creating interactive dashboards, and generating data-driven insights using real-time business data.

Web Development Internship **2024–2025**
Kevell Guru | Madurai

- Gained practical experience building responsive web applications, strengthening the ability to understand and explain platform features clearly.

PROJECT EXPERIENCE

Agri Buddy — Web Development

- Built a farmer-facing web application that surfaces market price data to support informed selling decisions, helping users act on information directly rather than through intermediaries — directly analogous to translating data into client-facing action.

Garbage Monitoring System — IoT-based System

- Built an IoT system using ultrasonic sensors to collect fill-level data from garbage bins and trigger real-time alerts to authorities, improving collection efficiency through data-driven operations.

CivicEye — Web & Mobile Development

- Developed a mobile & web app for civic issue reporting with GPS tagging, media upload, real-time status tracking, and AI-based categorization, improving how issue data flows between citizens and authorities.

EDUCATION

B.Tech, Artificial Intelligence and Data Science — CGPA 7.7 **2023–2027**
SNS College of Engineering, Coimbatore, India

Higher Secondary Certificate (HSC) — 83% **2022–2023**
SBK Boys Higher Secondary School, Aruppukottai, Tamil Nadu

CERTIFICATIONS

- Microsoft Certified: Fabric Analytics Engineer Associate (DP-600)
- Oracle APEX Cloud Developer Certified Professional Certificate
